The Creative Product must be sent via WeTransfer. Please note that the Creative Product must be anonymous, without a signature or indications that could lead back to the student applying.

Project Theme:

The theme for the Creative Product is "FRAME YOUR FUTURE". Students are encouraged to explore and narrate their vision of the future through cinematographic art. The term "frame" can be interpreted in various ways, encouraging personal and creative reflection on the future.

Applications for the Scholarships will be evaluated and awarded by the Academy's Board of Directors. The evaluation will consider the Creative Product presented, with particular attention to creativity, originality, and the ability to communicate the author's vision of the future.

The submission of the ISEE is not discriminatory or obligatory but awards an additional 0.5 points. In case of a tie, the ISEE with the lowest amount will be selected.
